## Why a women-only ski group?

This camp is designed to help reach your highest performance levels, supported by the camaraderie of skiing with a group of like-minded women, all guided by our expert female Rookie Trainers.

The Rookie Women's Camp provides a unique opportunity for female skiers to build confidence, develop skills, and connect within a supportive and encouraging community. You'll be coached by women who understand the unique biomechanics of the female body and how to optimize your performance.

You'll receive personalized coaching, refine your skiing technique, and train in breathtaking locations of Treble Cone, Coronet peak and spend your down time in the beautiful town of Wānaka.

Along with improving your skills, you'll also have the opportunity to foster lasting connections with other women passionate about skiing. You never know where you'll ski the world together.

**This is limited to 12 people per tour. Get in fast! Bookings close on June 20<sup>th</sup> 2025.**
